“*BrainstormNW* is in a class of its own: unafraid to take on the tough, often politically-correct issues in our state, unafraid to pursue subjects in depth and make us think hard, devoted to making sure that the sunlight of the free press shines on every important issue in Oregon. That’s *BrainstormNW*, and what a 10 years it has been.”

U.S. Rep. Greg Walden
at *BNW*'s 10th anniversary celebration
